An Monest Contractor.

Mr. Thomas Kirby, a well-known and population on tractic, who enjoys an excellent reputation in the community, accompanied by his storney, yesterday had an interview with the fam-

torney, yesterday had an interview with the thursinsbioners.

It appears that several years ago Mr. Kirby was awarded a contract for grading Pires street northwest, between New York avenue and Boundary streets; that during the progress of the work measurements were made of it and partial payments made. At the conclusion of the contract the measurements were under any largested upon by the Board of Audit, and the full amount allowed for the work, mentioner will go of education the partial payments between the grade of the contraction of the partial payments—between the grade of the contraction of the amount and converted them into 3.68 bonds.

A short time since white reviewing these accounts, the Engineer discovered the error, which was the mistake of the Board of Audit and not the fault of the contractor, and notified Mr. Kirby, who expressed surprise, but after a full investigation of his accounts use socovinced of the existence from the contractor, and made an offer to the Destrict Commissioner than the contraction of the subject on the consideration, and it is promable they may designate. The Commissioners have the subject under consideration, and it is promable they may accept the offer.
